**K1 SPEED** (805-321-8258)

770 Lawrence Drive, Thousand Oaks, CA 91320

Our indoor go-kart racing locations, including our Thousand Oaks location just north of Los Angeles, allow individuals to race every day of the year, regardless of weather. It doesn't matter if it's raining or if there's blistering heat, driving enthusiasts can come to K1 Speed, escape the weather, and start racing! The other difference that sets K1 Speed apart from the competition, and the feature that we have grown and built our reputation on, is our use of 100 percent all-electric karts. Forget about the lawn mower-powered go-karts of your youth. Our European-style electric karts are high performance machines, producing tremendous torque and horsepower from advanced electric motors. These zero-emission karts outperform their gas-powered counterparts while being better for the environment, quieter, and arguably easier to drive. With our karts, you don't have to worry about stalling the engine or dropping out of the power band in a tight corner – our electric motors produce maximum torque at all speeds! Race wheel-to-wheel at speeds approaching 45 mph on an indoor track!

**OUTDOOR FUN****GARDENS OF THE WORLD (805-557-1135)**

2001 E. Thousand Oaks Boulevard, Thousand Oaks, CA 91362

The Gardens of the World became a reality when Ed and Lynn Hogan, founders of Pleasant Holidays, decided to build a striking monument to commemorate the various cultures of the world. Their motivation was simple: to give something back to the community where they live and conduct their highly successful business, and the desire to share with others their travel experiences and the beauty they have seen during their travels around the world.

The Gardens of the World exist not only as a cultural contribution to the community, but as an educational tool. The mission of the Hogan Family Foundation is to promote the entrepreneurial spirit through the creation and operation of educational, civic-minded and humanitarian programs designed to encourage a more productive and contributory society.

Hours: Tuesday – Saturday 9:00 AM – 5:00 PM

### **MOXI – THE WOLF MUSEUM OF EXPLORATION + INNOVATION (805-770-5000)**

125 State Street, Santa Barbara, CA 93101

The MOXI mission is to ignite learning through interactive experiences in science and creativity. As Santa Barbara's newest hands-on destination for families and curious minds of all ages, MOXI is a place where you can explore and discover new things about the world around you, ask questions, seek answers, and have a blast doing so.

The MOXI you can visit today started as a dream more than 20 years ago. A group of dedicated and dynamic community volunteers came together with the desire to create a world-class museum in their own backyard that would provide opportunities for learning outside the traditional classroom. After a few starts and stops, in 2013, the City of Santa Barbara made it possible for us to create this place on a plot of unused land on lower State Street. We are now in a 50-year lease agreement with the city, ensuring our science museum will have a perfectly positioned home for many years to come. Our Barry Berkus-designed building also has the distinction of being the first LEED Gold certified museum in Santa Barbara County.
