

Presented by

Welcome Golfers,

Welcome to the Admiral Baker Golf Course at Naval Base San Diego. The world's best golfers have traveled from near and far to represent their service in this year's golf camp. It is our honor to host you.

We hope you have a great time showcasing your golfing skills and making your service's team. Whether representing your service branch for individual or team play, we wish those selected the best of luck competing in the Armed Forces Championship.

Remember that the low 6 men and low 3 women in their individual competition will represent the United States in the CISM World Golf Championship. You will compete on Admiral Baker's North Course, considered the best in the Navy, offering excellent conditions and large greens.

The competition will take place over nine days, from September 16th-24th. This message includes a schedule of events and the website where you can find brief, informative content and updates. Please share this site with your family and friends so they can follow live scoring. Aside from the schedule, if you are not local to the San Diego area, we invite you to take advantage of the many great restaurants in Mission Valley, Old Town, and Downtown San Diego.

Once again, we wish you all a fantastic experience during your time here and the best of luck.

Sincerely,
Navy Golf Management
